

7-3-2 教師運用因材網指派任務融入學習扶助課程

The top-left image is a screenshot of the 'adl.edu.tw' website. It shows a table titled '教育部因材網' (Ministry of Education Individualized Learning Network) with columns for '學科領域學習夥伴' (Subject Area Learning Partner), '點數' (Points), '狀態' (Status), '答對率' (Correct Rate), and '完成率' (Completion Rate). The table lists various math topics and their corresponding scores and completion rates.

The top-right image is another screenshot of the 'adl.edu.tw' website, showing a different table with similar columns and data. It also lists math topics and their performance metrics.

The bottom-left image shows a student in a classroom setting, wearing a yellow shirt and a white beanie, using a tablet computer. The student is looking at the screen, which displays some text and graphics.

The bottom-right image shows a student in a classroom setting, wearing a yellow shirt and a white beanie, using a tablet computer. The student is looking at the screen, which displays some text and graphics.
